UNLOCKING THE TRUTH ABOUT STUDENT PERFORMANCE

with Luke McKenna

Purpose of the day: This PD is designed to guide schools through some of the contemporary research and practice about student performance and also to share useful ways of applying the concepts of growth mindset, grit and wellbeing, to help students THRIVE.

Intended Audience: Primary and Secondary School Principals, Deputy Principals, Assistant Principals, Heads of Year/House, Guidance Counsellors or those teachers with a Middle Leadership role in student enhancement, S.E.L., wellbeing or Pastoral Care.

Cost: $180+GST per participant for early bird tickets (until Friday June 23). Regular price $210+GST. Morning tea and lunch provided. All registrants receive a copy of "Thrive- Unlocking the truth about student performance", by Luke McKenna.

UPP founder, Luke McKenna is an educator and author who specialises in working with schools to build growth mindsets, grit, wellbeing and leadership for all students. Over the last 10 years, he has worked as a classroom teacher, middle leader and Assistant Principal.
More recently, through UPP, Luke has worked with educators and students across Australian Primary and Secondary schools from the Independent, Catholic and Public sectors. His work has been published in the Australian Journal of Middle Schooling, The Positive Times, Happy Schools, and he is also the author of "Thrive: Unlocking the truth about student performance".
